My dear Phirenda,

Received your letter. We had a very busy and busy time with Sivida's going to Containal heated discussions on multifarious matters. your absence was keenly felt. Hope you both are now busy with the serious task devolved upon you both.

Removal to the smaller house has removed a perpetual discontent from Mother's mind. She says that she is feeling relieved. Her health is not turning better yet. More milk is available. We are awaiting Mother's permission to bring more milk daily. Most exciting for health is a great asset to us. We are all well. Hope you to be the same.
