

THE BRAHMAJNA-TALISMAN (THE DIVINE BOON)

"Brahmajna-Ma", our divine Mother, was the incarnation of God, like Lord Buddha, Sankaracharya and Ramakrishna Paramahansa. While on this earth, she attained the highest stage of self-realisation. She had miraculous power and bestowed love, health, peace and prosperity upon all who came in contact with her. This miraculous power is not lost. Her last wishes were to transmit through my humble self this blessing to people all over the world. The "Brahmajna Talisman" is the symbol of this blessing.

Talismans of various shapes and sizes were found in the excavations of Harappa and Mahenjo-Daro. This proves that from the beginning of history most Cultured people of all religions of the world believed in the supernatural power of Talismans and in their efficacy. The word Talisman originates from Greek and Arab roots. (Greek Telesma—Mystery, and Arabic Tilsam—Efficacy)

For the last thirtyeight years this Talisman has been used by people in various walks of life who have been immensely benefitted and have given evidence to its miraculous power of curing otherwise incurable diseases, overcoming dangers and bringing peace and success in life. There are no rules or restrictions to follow.

Rs. 5/- (\$ 12-00) per Talisman is being collected by the undersigned for the service of the people in need and to perpetuate the holy memory of Divine Mother.
